Create a beautiful work of art!

Express yourself artistically with a unique form of art using stucco and other textiles. BICR welcomes Laurie Rahm a self-taught local artist who enjoys sharing her talent and passion for art. Laurie's style of painting allows all individuals to participate regardless of ability. She begins her projects using stucco which is applied by hand or using tools to canvas or plywood. This is completed during the first session.

On the second and third sessions group members paint their stucco creation using a variety of acrylic paints. Finally the piece is sealed and preserved with painters varnish.
